

Welcome to Banner Surgery Center – Fort Lowell

Dear Valued Patient,

We are excited to inform you of our new partnership with Banner Surgery Centers. With the new partnership, the name of the center has been changed to Banner Surgery Center – Fort Lowell.

Banner Surgery Center – Fort Lowell is dedicated to total care with a personal touch. Our center is Medicare Certified, AAAHC accredited and Arizona state licensed. The facility is equipped with sophisticated equipment to provide comprehensive outpatient procedures and surgery services. Our goal is to become your centralized site of service. Whether you need a basic injection, or complex procedure, our caring team will create a safe and welcoming environment before, during and after your procedure.

Before you arrive at the center:

Please go online at www.onemp.com/fid/1689 to complete your Registration and Medical History.

- Select the "Register" button to create an account & follow the prompts
- If you already have an account, just log in and update your medical passport
