

Collecting Socks and Underwear for Children in Foster Care

Last year, Aviva distributed more than 17,071 pairs of socks and undies and over 28,137 diapers and wipes to children in foster care. With many of our families under financial constraints, we are seeing a greater need for these items. This is where you come in, dear friends! We need YOUR help to ensure our closet is fully stocked so no child goes without these basic necessities.

April 15th – May 13th 2024

Donate new underwear, socks, bras, diapers, and wipes for youth in foster care. Make it fun by challenging your friends and family to see who can collect the most items.

Collect as many socks, undies, bras, diapers, and wipes as you can as a group, a business, or as an individual.

If you are participating as a group, create a fun team name and make sure to include the name with all donations.

Checkered flag awards will be given to those who collect 500 or more items.

Participants can collect at their own sites or have them delivered to Aviva located at 153 S Plumer Ave.
