

June 6, 2026

Dear Valued Patient,

We would like to inform you that Victoria Taravella, PA-C, will be leaving the Pain Institute of Southern Arizona effective June 8, 2026, as she relocates home to Baton Rouge, Louisiana.

We are grateful for the compassionate care and dedication she has provided to our patients and wish her continued success in her future endeavors.

Please be assured that your care will continue without interruption. Our experienced team of providers remains committed to delivering the high-quality, personalized care you have come to expect from our practice. We are actively working to ensure a smooth transition and will be happy to assist you in scheduling future appointments with another qualified provider on our team.

Your health and well-being remain our highest priority. If you have any questions or need assistance regarding your ongoing care, please contact our office at (520) 318-6035.

Thank you for the trust you place in us. We appreciate the opportunity to continue caring for you.

Sincerely,
Denise Riesgo
Clinical Services Manager
Pain Institute of Southern Arizona

Frequently Asked Questions (FAQ)

Who will take over my care?

Your care will continue within our practice, and you will be transitioned to another qualified provider who will have full access to your medical records and treatment history to ensure continuity of care.

We will make every effort to keep you scheduled at your current location. However, during this transition period, you may be scheduled with a Nurse Practitioner at our Grant location, including Lindsay Carter, NP, or Aimee Rodriguez, NP, who will be assisting with interim coverage.

Will I still receive the same level of care?

Yes. Our goal is to provide you with the same high-quality care and support you have come to expect from our practice. Your health and well-being remain our top priority.

Will my treatment plan change?

Not necessarily. Your new provider will review your medical history, current treatment plan, and progress to ensure your care continues appropriately. Any recommended changes will be discussed with you.

Do I need to do anything?

No immediate action is required. Our team will coordinate your care and notify you of any appointment updates if needed.

Will my upcoming appointments change?

Yes. Some upcoming appointments may need to be rescheduled as we transition your care to another provider within our practice. Our office staff will contact you directly regarding any scheduling changes and will work with you to ensure continuity of care.

Who can I contact if I have questions?

If you have any questions or concerns, please contact our office 520-999-9000. Our team is happy to assist you during this transition.
